

INSTRUCTIONS TO ADD MORE NUMBERS TO

One Call Now

To Add/update contact information to get the latest Child Development, Inc. notices.

Child Development, Inc. utilizes the **One Call Now** automated telephone system for center closings or delays due to inclement weather; when busses are running late; when meetings are cancelled; etc.

The phone number that we call is the **primary number on record** (the one you gave to us for your main contact information). However, if you would like to add additional numbers to be called, and/or if you would like to receive a text message and/or e-mail or as well, you can add this information by visiting our web site at: www.childdevelop.org. When you arrive on our home page, you will see a side bar menu. Click on **One Call Now** on the side bar menu to go to that page.

On the **One Call Now** page, click here:

You will be redirected to the **One Call Now** web site. First-time users must **“Sign-Up”**:

Update your contact information for Child Development, Inc

We've made some enhancements!

I accept the Terms of Use

Contact your Family Advocate if you are unsure of the primary number on record.

- 4 After completing the required information and submitting, you will receive a message in your email to complete the verification process which will then allow you to add additional phone numbers and e-mail addresses to the **One Call Now** automated telephone system for your child.

PLEASE NOTE: After completing the verification process you can then log-in and make changes to any of you additional phone numbers or e-mail address(es); however, if you change primary number you **MUST** inform your Family Advocate so that the we can update this information in your child's records.
